

> Yeast Extract

cat. no.	amount	note
STS-YE500	500g	powder
STS-YE1000	1Kg	powder
STS-YE5000	5kg	powder

Dried yeast autolysed extract with a high content of amino nitrogen and water soluble B complex vitamins.
Due to its low NaCl content this quality is well suited for bacterial culture media.

Analysis (% w/w)

Total Nitrogen: (TN) - 10.0%

Amino Nitrogen: (AN) -5.0%

Sodium Chloride: -0.3%

pH (1% solution): 7.0

Quality

MICROBIOLOGICALLY TESTED

Solubility

Soluble in water.

Clear yellow solution at 10 mg/ml in water.

Storage

Store at room temperature.
